

Southeastern Pennsylvania College Health Nurses Association, Inc.

Dear Members,
Hope this letter finds you all well.
I'd like to first thank my colleagues at Villanova for their work on the winter conference. It was so well attended! What a pleasure to see new faces and connect with those who have known for years. It is especially nice to see the networking that goes on through the day. We are anxiously looking forward to the spring conference at Bucknell on May 17th. See brochure on our SPCHNA web site for registration. Registration deadline is April 19th!

Some important business!

At the January meeting, we discussed and took a vote to stagger the election of officers so that we would never be left with a need to replace all 4 officers at the same time. Although we had a quorum vote for the proposal in January, a very wise retired member brought it to my attention that it was not acceptable to do that without first putting it on the web site and allowing for absentee ballots.

The executive board has talked about it and decided that we would redo this by posting on the web site and then asking for a vote via **Survey Monkey**. So, attached to this letter is the link for the proposal and vote. PLEASE take the time to answer the questions. If a quorum responds, and it passes, we will proceed to vote at the next meeting for President, Secretary and Member at Large.

Position descriptions are available on the SPCHNA web site.

Even though I have agreed to run for a second term as President and Robyn Spragins has also agreed to run for a second term as the Member at Large/Past President, nominations for these positions are **OPEN!**

Anyone interested in running for or nominating someone for President, Secretary or Member at Large, should contact Sue Fitzgerald at Cabrini University: sf724@cabrini.edu

Survey Monkey – Responses due by **April 21, 2017**
